

The Authority of the Borough of Charleroi

Customer Service Line Identification Fact Sheet

- The Authority of the Borough of Charleroi has been working to develop its lead service line inventory as part of the EPA's Lead and Copper Rule Revisions.
- The Authority has a significant amount of documentation on the Authority-owned portion of the service lines.
- The Authority must determine the pipe material that makes up the customer's side of the service line.
- We are asking for your assistance in completing this work so that we do not have to enter your home.
- The Customer Service Line Worksheet can be completed by following the instructions on the next page.
- Please mail the completed Worksheet to the Authority at the address below:
