

Utility Worker  
Union Pay Rate: \$22.00/hr  
Excellent Benefits  
Challenging and Fast Paced

The Authority of the Borough of Charleroi is now accepting resumes to fill a position within the Authority. The successful candidate will be assigned to either the Water Treatment Plant, Wastewater Treatment Plant or the Distribution Department.

Example of Duties

- Assists in or performs a variety of cleaning, maintenance and repair work on water/wastewater equipment, systems, vehicles and tools as needed.
- Drives and operates assigned vehicles as needed to provide effective and safe services to customers.
- Installs, troubleshoots, and repairs water distribution or wastewater collection system facilities.
- Installs, repairs, and replaces water mains, valves, service lines, and hydrants or sewer lines and manholes.
- Monitors SCADA system and interpret data used for the operation of the Water or Wastewater Plant and Distribution System.
- Communicates with customers to satisfy customer inquiries and complaints.
- Performs restoration work including, but not limited to, concrete, asphalt, and landscape.

Work Environment

- Exposure to inclement weather at times.
- Work may occur in confined spaces as well as in elevated areas more than 50 feet.
- Exposure to hazardous chemicals and environments at the Treatment Plants.
- Night and weekend callouts for emergency repairs.
- Shift work at the Water Treatment Plant to provide 24-hour coverage.
- Weekend at the Wastewater Treatment Plant.

Qualifications

- Possess a high school diploma or GED. Post-secondary education or trade school is preferred but not a requirement.
- Obtain proper certification from the PA DEP for job position.
  - Candidates already possessing a Water or Wastewater certification are preferred.
- Must pass a controlled substance test (drug and alcohol) and have a clear criminal history.
- Possesses a valid driver's license and clean driving record.
- Ability to establish and maintain good working relationships with other employees, customers, contractors and others.
- Ability to perform heavy labor, including but not limited to, standing, bending, reaching, digging, walking long distances, and climbing ladders.
- Ability to lift, move, and carry equipment weighing up to 100 lbs.
- Ability to understand the operation of pumps, valves, motors, and other mechanical equipment related to operations and maintenance.
- Ability to learn on the job, organize and complete daily paperwork, read and understand written and verbal instructions and daily work orders.
